Tina will call and call 101.1the farm.
It was also suggest to try 91.5 (880) gone FM to see if they are interested.

Treasurers report: Tina I working on it. There is some invoicing that is scrambled after the entries computer cashed at Junior Finals.

Canadian Finals 2020-21: Art informed us that it will be Manitoba's turn again. If we would like to have it here we need a meeting with everyone interested in putting together Canadians in Manitoba.

Gate Sponsors: Where should the money go, and should we be offering premium spots to bigger sponsors. It was suggested that it

be left for this year because we already have gate sponsors for this year so we can't change now.

Thank You Cards: Helen Peak paid for the thank you cards. We should pay her back. Where should the money come from?

Answer: the general fund.

Should the money that was raised for Queens in the Wild pony race be put back into the general fund or scholarships. It was thought that it was given to the Queen account and should be left there since they still have some bills to pay. Money can be raised for something different next year.

Keep Sake crown: Should we order keep sake crowns for the queens. Tabled

Hailey Tonn Goat clinic: There isn't much time left at Oak Lake for a clinic. I was suggested we see if Hailey can come Sunday after the rodeo. Then see if there is enough interest.

Read out Mentorship Letter: Some discussion – Tabled

Hometown's: Is 4 Rodeos too many, does this hurt getting memberships? Information: 1 performance is considered 1 rodeo, so 4 rodeos = 2, 2 day weekends. Most felt that it should be left the way it is.

Facebook Page: discussion - It was said that Facebook was left open for everyone to post freely in previous years, and there were problems. This is the reason Facebook was shut down to one person overseeing the Facebook page.
